This highly profitable and well established convenience store occupies a prime trading position at the bottom end of Royal Parade in the heart of Plymouth's city centre. Royal Parade, itself, is a thriving shopping parade and arguably one of Plymouth's best known streets. There are a full and varied selection of businesses represented within the parade, including Dingles, Debenhams, TK Maxx, Argos and Lloyds Bank. It is the main drop-off and pick-up point for buses servicing the city centre and, as a result, enjoys a high level of pedestrian traffic. Immediately opposite is Plymouth Civic Centre and Plymouth's Theatre Royal and the business consequently enjoys an excellent and highly profitable year round trade.

Plymouth, with a population of over 250,000 is the largest city in the West Country. Largely rebuilt since World War II it is now a thriving industrial and commercial centre and is still one of the Royal Navy's principal base and warship repair dockyards. The city has excellent educational, recreational and entertainment facilities and access to the rest of the country is gained by road via the A38/M5 motorway and by rail. Europe is also accessible by the car/passenger ferry which is operated from its terminal at Millbay Docks.

The premises are offered subject to contract, availability and confirmation of details. The particulars do not form any part of any contract and whilst believed to be correct, no responsibility can be accepted for any errors. None of the statements contained in the particulars are to be relied upon as statements of fact, and intending purchasers or lessees must satisfy themselves by inspection or otherwise as to the correctness of these statements.
